Wha	at	is the Data Depot?			E

## What is the Data Depot and what about Dayforce?

4

## **User Experience**

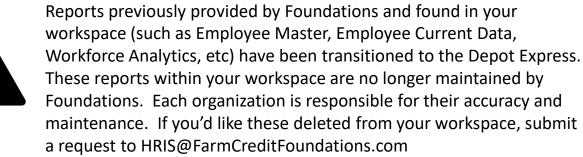

- Developed and maintained by Foundations
- Consistent and streamlined user experience
- Templates can be used as a blueprint to build your own customizable report in your workspace

#### Workspaces

• Space for your organization's users to customize and build reports

#### **Template Report Notice:**

# What have you used it for?

## Why use it?

#### Consistent access to historical data

#### Integrate data with other third-party sources

#### Intuitive user interface

## Less reliant on Dayforce for new reports/troubleshooting

# What if Dayforce were Replaced?

Lower Data Migration Costs

#### Faster Implementation

**Reduced Risk in Data Migration** 

# What's holding you back?

## Are you Connected?

Request access using Security Change form.

01

Have a license assigned to your account. 03

Access to links within Dayforce on the HR Partner Hub page.

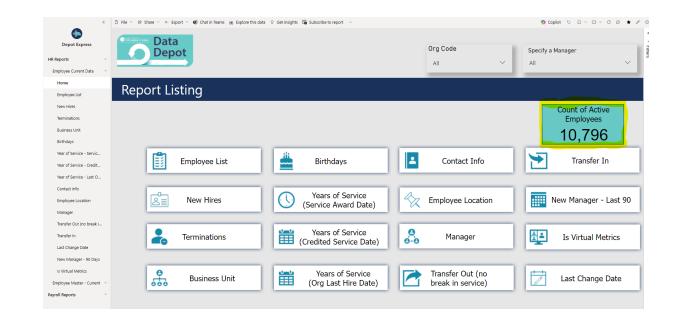

Tip: Save the URL to your browser favorites for quick access

#### Scavenger Hunt

# How many active users are in your organization?

Location:

Depot Express (or workspace) Employee Current Date > Home

### Item #2 – Total Years of Service in Q3

## What are the Total Years of Service in your Organization for Q3?

Location:

Depot Express (or workspace)

Employee Current Date > Years of Service – date

- Timeframe: Q3
- Range: 0 X
